

Boost Your Farm's Visibility with CCE Ulster County Fresh & Local Guide

Dear Ulster County Farmers,

Cornell Cooperative Extension is launching the **Ulster County Fresh & Local Guide!** This initiative aims to highlight our local farms, foster community connections, and promote fresh, locally produced food and agritourism activities.

Why Participate?

By being listed in this guide, your farm will gain increased visibility and attract more customers who value local, sustainable produce.

What Is Needed:

To be included in the guide, please take 7 minutes to complete our [Google form](#). The form will ask for:

- Farm name
- Contact details
- Types of products you sell
- Certificates
- Agritourism activities (if applicable)

How It Works:

Your information will be used to create a detailed profile on a map exclusively featuring Ulster County farms. This map will be displayed on our [CCE Ulster County website](#).

If you have any questions or need further assistance, please reach out to Uliana Ahashkova at ua38@cornell.edu or call 845-340-3990 x390 and leave a message.

Thank you for helping us build a vibrant and sustainable local food system!
